Balikpapan, 23 August 2024

Society of Petroleum Engineers (SPE) Balikpapan Section is proud to be supporting its members by participating in BEX 2024, SPE Balikpapan strives to be at the forefront of the industry, by being active in such events and always "listening" to the voices of the oil & gas industry.

Members of SPE Balikpapan would also be present at the event to meet visitors and exhibitors alike to share the latest updates on the Indonesian oil & gas sector.

We would like to take this opportunity to invite professionals from the oil & gas industry to visit BEX 2024 and take the time to network there. On behalf of SPE Balikpapan, we wish the organizers all the best for BEX 2024 and look forward to meeting everyone there!

Yours Faithfully
